

Petition to the House of Commons to expand the CPP/QPP

WE, THE UNDERSIGNED RESIDENTS OF CANADA, draw the attention of the House of Commons to the following:

- Retirement security is one of the most pressing economic challenges facing Canadian families today. Less than 40% of all employees are covered by a workplace pension plan. Millions of Canadians simply can't save enough on their own to retire.
- Canada is facing a pension crisis. Expanding the Canada Pension Plan/Quebec Pension Plan – everyone's pension plan - will make sure that all workers in Canada can count on a decent pension in retirement.
- Every worker in Canada belongs to the CPP/QPP. The Canada and Quebec Pension Plans are safe, fully-portable, and provide predictable, secure, inflation-protected benefits for life, at very low cost.
- Pension experts, provincial governments and seniors organizations all support increasing the CPP/QPP.

THEREFORE WE CALL ON THE GOVERNMENT OF CANADA to work with provincial and territorial governments to increase pension benefits under the Canada and Quebec Pension Plans, and implement a fully funded plan to phase in such an increase without delay.
